## **Guidance**

What is it you seek? What are you driving towards and what is preventing you from getting there? Is a fence imaginary, is it something you cannot climb; ever? Just how determined are you to get the job done? There's hard work involved, organisation is required and if you are to truly rework your kingdom, make it run as you planned, you must show the determination required. There are those who see the hard work you're putting in, some will offer help and it might be wise to accept it, on your terms of course. Call upon your experiences, call upon your contacts, call upon the sheer grit and determination you have within you. This is a time of triumph, hard work has paid off and now you must live up to the expectations of a new role, new job perhaps? Use your platform for the good of others.

## **Foresight**
