

23rd Path The Hanged Man

The paths now become more abstract, harder to define just how they will manifest in your life but it's likely to be about revelation and a recognition of your own power, you could always put yourself the right way up. If you were suspended by your foot, you'd look at things from a different perspective, that is at the core of this path; seeing things differently.

You're likely to see the breaking down of the old, seeing it move away and as this is a path of water, think about it a flushing out what's no longer required. The planetary reference is Neptune, so things may not be clear to start with but will reveal themselves in time.

As your view changes so too does the world around you, a new influx of spiritual connectivity can also occur and therein lies a danger of this path. Know when it's appropriate to share your spiritual insights and when it's best to let other uncover their own way forward.

A greater life's purpose is the gift with this path, a sense that you are more in control because, not in spite of, the dark night paths and the veil that was previously drawn between your personality and soul.

Guidance

Is it time to change your point of view? Look at things from a different angle, turn things on their head, or perhaps it feels as if that's been done for you? The gift of this card is a new perspective whether it's forced or called for. Admit your flaws, embrace them, and remember that even a leaky pot will hold some water. Here's your starting point, what can you change, what can you repair and where would a call to action from your soul to your personality be best served? You may feel as if your hands are tied, but are they? The power to release yourself is yours, there will be options and sometimes it's as easy as remembering who you truly are. Change your point of view, literally, get up and move away from what no longer serves you, what no longer inspires you or who no longer deserves you?

Foresight

You don't see things the same way as anyone else on the planet, you are unique, you might be similar in your opinions on this or that, but nobody is the same as you; that's as it should be. If things are stale, very little fluidity, stagnant maybe; then now is the time create a few ripples.

Revealed

Running between Hod and Geburah this path's name means water, apt as The Hanged Man is the Tarot card and his head is often depicted as being immersed in water. The fluid nature meets fire in Geburah, it acts like a piston propelling you forward towards the new.
