

31st Path Judgement

This path links the physical energy of earth with the intellectual properties of Mercury, the mind, Hod. A connection between the body and your rational mind. Think about that for a moment. Your body and your mind, linked. Can one affect the other? Most definitely. Called the perpetual intelligence, it gives you an idea of the constant attention needed to maintain balance between thinking, doing and the effect of being anything other than conscious of your thoughts becoming things.

It can be a trial by fire, a quest for a higher relationship with those around you and through that, with your 'self'. It will highlight situations where assertiveness is required, where you recognised that cloistering yourself is escapism and may be preventing growth and the power of relationships in your life.

Malkuth - Hod 'The Perpetual Intelligence, regulates the motions of the Sun and the Moon in their proper order, each in an orbit convenient for it.'

Here your attention is drawn to myths and legends that involve fire, involve being tempered by the process of having gone through the gift of Pluto, that transformation through tough times and tough choices made. Prometheus of course and, the Phoenix, it's a great symbol for this path too, the rise and fall of its continuing, perpetual, growth through egg, bird, ashes, egg, bird, ashes.

You have met Pluto before, in the realms of Daath where you discovered old thoughts, forgotten ideas or half-baked attempts at turning them into action and so you're asked, what is it that still holds your interest, what is perpetual in your mind, what is can you resurrect perhaps?

Guidance

One of the toughest things about being here on earth is the battle you will have between what you think, what you do and who influences all of that. You may seek to see yourself as conduit for the will of others, to make sure their will is done, but deep down you know you carry your own fire and you're asked to apply yourself to the creation of the new in the name of you. Folks will judge, you will too, but once those judgements show themselves for what they really are you do it less and in doing it less you receive them less.

Judgement is nothing but an opinion based on old news gathered through the interactions you've had throughout your life. Let go of it, fill the space with exciting projects created for you, by you, and anyone who wants to cheer you on is welcome. Bring the power of your mercurial nature into being, switch and change, use the gifts you've got to create abundance on earth.

Foresight

Resurrection can mean many things, but at its core it's surely about a rebirth, bringing something back to life? You're breathing new life into who you already are, you're rising from the depths of your own slumber with renewed insight into a situation that required you to rest before seeing the truth of it.

Revealed

This path runs between Malkuth to Hod and is Judgement/Aeon in Tarot, connecting the body with the rational mind, an examination of how you work, a time to analyse personality drives and where they may be elevated through applying logic to recognise the links with the spiritual world. It brings higher spiritual principles into being here on earth.

Activation

Go over old notes, seek out your vision board and dream book. Amongst those forgotten words and images is a message from your soul, one that has been waiting for this moment, waiting for its own re-birth.
